How to Get a Certificate of Completion

Congratulations! You have completed the Introduction to Packet Tracer course!

We have created a certificate to recognize completion of the Introduction to Packet Tracer course. Please follow these steps to download your certificate:

1. Log in to Cisco netacad.com.
2. Click your name in the top right bar to access your user profile.
3. Scroll down to **Certificates of Completion** section and click the **Get Certificate** button to generate your certificate.

Certificates will appear in your netacad.com profile.
